

Parent Commitment

Logos Mission Statement

That students, taught in a spiritually nurturing, intellectually challenging and disciplined environment, acquire the knowledge, attitudes, skills and training necessary to seek after “whatsoever things are true”.

That, sustained by Christ’s teachings, and God’s love, students may develop binding commitments to their families, neighbors, country and the global community while leading moral, healthy and productive lives.

I have read the Logos Mission Statement and the description of the Logos Christian Program and do hereby commit my support for them. By so doing, I subscribe to the educational principles, goals, methods and practices of the Program and will support the staff in their efforts to establish and maintain a challenging, disciplined, learning environment. Furthermore, I will endeavor to ensure that my child’s work habits and behaviour conform to the expectations determined by the school.
