STAY AT HOMEGUIDE: When do I keep my child home?

STAY AT HOME GUIDE: When do I keep my child home?
Use this guide to determine when to keep your child home from school and when it's safe to return.

Complete the [COVID-19 Screening Questionnaire](#) with your child every day. The questionnaire will help determine if it's safe to send your child to school. If the answer is "Yes" to any of the questionnaire questions, DO NOT send your child to school. Stay home and see the instructions below. If the answer is "No" to all the questions, your child can attend school. Always follow the advice of Alberta Health Services.

MY CHILD IS SICK WITH:

Primary COVID-19 Symptoms: <ul style="list-style-type: none"> Fever Cough, sore throat or sneezing Shortness of breath or difficulty breathing Fatigue Loss of taste 	Secondary COVID-19 Symptoms: <ul style="list-style-type: none"> Headaches Loss of smell Diarrhea Stomach pain Joint pain Red, swollen, itchy eyes Swollen lymph nodes Swollen feet
--	---

WHAT SHOULD I DO?

<ol style="list-style-type: none"> Complete the online COVID-19 self-assessment tool or self-health check. Isolate your child for at least 10 days from the start of symptoms or until symptoms resolve, whichever is longer—a legal requirement. Testing for COVID-19 is recommended. Book an appointment through the COVID-19 self-assessment tool. 	<ol style="list-style-type: none"> Complete the online COVID-19 self-assessment tool or self-health check. WHAT IF MY CHILD HAS SYMPTOMS BECAUSE OF A PRE-EXISTING MEDICAL CONDITION?

If your child has primary or secondary COVID-19 symptoms because of a known pre-existing medical condition, such as allergies, they must stay home if there is no reason for the symptoms. Follow the advice directed for either primary or secondary COVID-19 symptoms. Alternatively, provide the school with medical documentation of the pre-existing condition and return your child to school.

NOTE: The Stay at Home Guide is based on the provincial guidelines for [COVID-19](#). Information contained within this guide is subject to change as additional information about COVID-19 becomes available.

Reporting Absences

Please communicate your child's absence directly to general.wbo@eips.ca or click the [STUDENT ATTENDANCE](#) link on the homepage of the school website. These emails are both checked regularly by the School Office staff. Do not communicate this information only to the teacher. Situations occur when the homeroom teacher is away, and your information will not be received by the Office Staff who are required to maintain an accurate record of attendance for students throughout the day.

When reporting a student's absence, a reason is now necessary. If your child is ill, we will need to know what the symptoms of the illness are as part of the COVID-19 screening requirements.

2020–2021 SCHOOL FEES NOW POSTED

School fee information for the 2020–21 school year is now posted on the [PowerSchool Parent Portal](#). When you log on, you'll notice the fee schedule is different from previous years. Instead of a fee based on the entire year, fees are charged on a quarterly basis.

The fee schedule change accommodates students switching from out-of-school learning to in-school learning; the four-semester system in place at some schools, and possible fee adjustments if the province decides to transition to Scenario 2—partial return to school—or Scenario 3—the suspension of in-school classes. Fees for kits or equipment kept by the student are charged in full at the start of the course. Each quarter, you'll receive an email notification letting you know fees are posted on the PowerSchool Parent Portal. To access your fee information, go to "Student Fees" on PowerSchool. There you can view your fees and pay online using Visa, MasterCard or INTERAC Online—when available from your financial institution. All fees are due within 14 days of being posted.

NOTE: School Fees apply to in-school learners only.

If circumstances exist where you are unable to pay your fees, you can apply to have fees waived by submitting an Application for a Waiver of Fees. The deadline is Dec. 15, 2020—if new to EIPS, the deadline is the latter of Dec. 15, 2020, or 45 days after registration.

For more information about school fees, waivers and payment deadlines, visit eips.ca and westborelementary.ca/about/fees or contact the school at 780-467-7751.

Parents Group Fundraising

This year's school fundraisers will continue to be at Save On Foods, [Cobbs Bread](#) and [Mabel's Labels](#).

Anytime you shop at **Save On Foods Wye Road**, save your receipts and send them to school with your child to be handed into the office. A representative from the Parent Fundraiser Group will submit the receipts and 5% of all sales will be donated back to our school.

When you make a purchase at **Cobbs Bread Wye Road**, mention Westboro Elementary and they will donate 5% of the total sale back to our school.

Mabel's Labels are purchased directly online with 20% of sales automatically donated back to our school.

Logos Society News

The first meeting will be **Tuesday, October 13, 2020**. At that time we will discuss frequency of meetings in light of the current guidelines / environment.

Information will be updated to our website at:

Read in Week

Read In Week is being celebrated in all EIPS schools October 5 to 9. The theme of this year's event is: Read Around the World. Students are encouraged to celebrate by joining a virtual book club, treasuring that new book smell, or telling their friend about their latest great read. Full information and the Read In Toolkit can be found on the official Read In website. This year's Read In Week will look a bit different, but the spirit and intent remain the same. People all around the world are rediscovering their love for reading and sharing creative ways to share that love with friends and family. As has been the case in previous years, Elk Island Public Schools will provide many activities on the EIPS website that will encourage both in-school and out-of-school learners to bring their stories to life.

Caregiver Education Series

Alberta Health Services is hosting a series of virtual caregiver information sessions focused on ways to support students' mental health.

The sessions are free and geared toward parents, caregivers, teachers and community members who want to learn more about challenges impacting children and adolescents.

Session topics include anxiety, ADHD, depression, self-harm, technology, teens and teaching leadership skills, communication, resiliency, and more.

Visit [Caregiver Education](#) to see the monthly caregiver sessions.

October 5 is World Teachers' Day!

Launched in 1994 by the United Nations Education, Scientific and Cultural Organization (UNESCO), World Teachers' Day is celebrated annually around the world to recognize teachers and the integral role they play in providing quality education to students.

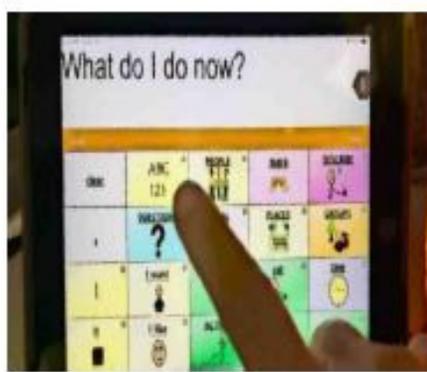

On October 5, Elk Island Public Schools (EIPS) encourages all of its students, parents and community members to show their appreciation for their teachers and the positive impact they make on our lives.

To honour the day, EIPS is running its World Teachers' Day contest inviting friends, family, students and staff to share a story about how a teacher inspired them.

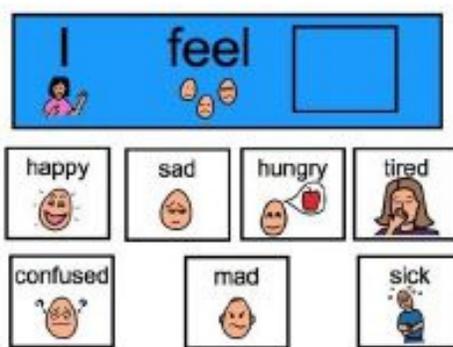

Thank you to all those who have shared stories to date. Collectively they tell a story about the vital role teachers play in shaping the minds of youth and supporting their journey of success. EIPS extends a heartfelt thank you to all its teachers for their dedication, hard work and commitment in guiding and educating our students through their kindergarten to Grade 12 years.

AAC Awareness Month

October is AAC awareness month. Around the world people raise awareness and celebrate the use of augmentative and alternative communication. Some of our Westboro Warriors use AAC devices to help them to communicate because they are unable to use verbal speech. Complex AAC devices can be seen on ipads that students carry with them. Some less complex forms of communication are picture boards, gestures, facial expressions, drawing and writing. Help us to spread awareness by starting a dinner table discussion with your Westboro Warrior about it. Afterwards, have your family communicate with each other by using only non-verbal ways such as writing, drawing, gestures or facial expressions. Thanks for helping us to raise awareness.

Improving Home-School Communication

To enhance communication between families and schools, Elk Island Public Schools (EIPS) has developed a how-to guide entitled, "Communication Protocol for Schools." Topics include appropriate channels to use, standard formats and structures, timing and sequencing for regular and ongoing home-school communication, and ways to bring forward questions or concerns. The manual also offers useful tools and resources schools and families can use to enhance face-to-face meetings, email communication and various social media efforts.

[Communication Protocol for Schools](#)

Most email communication from the Division will come from communications@eips.ca. From the school level, messages will often come from general.wbo@eips.ca. We encourage families to add these email addresses to your address book or safe senders list to help prevent Division and school messages from filtering to a junk, spam or other folder in your email inbox.
