ADAPTABILITIES SUMMER CAMPS AND YEAR ROUND PROGRAMS

At AdaptAbilities we work with families and individuals with disabilities – to provide respite care breaks for the parents/guardians and purposeful programming for children/youth/young adults with disabilities in expressive arts, essential life skills, recreation and motor development, relationship development, and skills for volunteering and employment (for older participants who are able).

AdaptAbilities summer day camps are back in-person in groups. For Summer Camps, please note that we offer both options: participants can attend one of our summer camps – or one of our staff can accompany a participant to attend a community camp (e.g. a City of Edmonton or YMCA camp).
