The results are now available for the 2021-22 EIPS Parent Survey conducted in March. View the results [here](#).

REMINDER: 2021-22 SCHOOL FEES

School fees for the 2021-22 school year are posted on the [PowerSchool Parent Portal](#). All fees are due within 30 days of being posted. Throughout the year, fees are often added to cover the costs for various activities, such as field trips, extracurricular activities, and late, damaged or lost textbooks.

To access your fee information, simply log in to the PowerSchool Parent Portal and go to "Student Fees." There you can view fees and pay them online using a credit card. Make sure to monitor your child's account on an ongoing basis.

For more information about school fees, waivers and payment deadlines, visit eips.ca/schools/fees. And, if you have questions, think there is an error or need help creating a PowerSchool Parent Portal account, contact your child's school directly before the summer break.

NOTE: Pursuant to [Board Policy 23: School Fees](#) and [Administrative Procedure 505: School and Administrative Fees](#), EIPS will forward any unpaid 2021-22 fee amounts to a collection agency. To prevent this from happening, remember to pay your fees before Aug. 31, 2022.

TEACHER ANNOUNCEMENT

It is with mixed feelings that we announce that Mr. David Hay and Mrs. Lesley King will be leaving Westboro Elementary at the end of the school year. Mr. Hay will be moving onto Bev Facey High School and Mrs. King will be moving on to Ardrossan Elementary.

They will be missed but we share in their excitement for a new opportunity. We thank them for what they have accomplished at Westboro and we wish them best of luck at their new school!

LITTLE ELK ISLAND ADVENTURE: REGISTRATION

Elk Island Public Schools is once again planning to run the Little Elk Island Adventure, a fun and informative program for first-time school bus riders.

Annually, Student Transportation offers the Little Elk Island Adventure to new riders and their parents. The program's aim: To help introduce families to busing so they feel comfortable and at ease before even starting school. Through a series of activities, riders learn about school bus safety, danger zones, tips on boarding and how to sit properly on the bus. After that, both the children and parents hop on the bus to practice what they've learned by venturing out on a short ride.

The Little Elk Island Adventure is for first-time school bus riders entering the 2022-23 school year. The tentative session dates and times are as follows:

Annual General Meeting June 13th 6pm Sherwood Heights

The Elk Island Logos Society's 2022 Annual General Meeting (AGM) date is being changed to Monday, June 14th at 6:00 p.m. to accommodate a EIPS Parent's Information Meeting about the Logos Alternative Program.

Anyone is welcome to be part of the AGM, but only Elk Island Logos Society members can vote. Anyone who wants to support the purpose and principles of the Logos Alternative Christian Program can be a member, so if you'd like to sign up, please visit our membership page at:

elkislandlogos.ca/members

We will also be looking for any ideas for fundraising or even direction of the Society in the coming years.

A lot has happened in the month since the last newsletter has come out. Many of the plans and initiatives we'll be talking about at the AGM are intended to strengthen the program in the future. We need your ideas, involvement and prayers as we continue down the road this next year.

I would also encourage you to stay after the AGM and be engaged in the EIPS Parent Meeting that will follow.

On Wednesday, May 26, EIPS

did send out an email letting us all know that the declining enrollment is making it necessary to look at how our program will be delivered in the future.

Please mark the dates in your calendar now and join us on June 13th.

If you have any questions, please email or call me. I'd love to head from you!

UPDATING YOUR CONTACT INFORMATION

Have you recently moved or has your contact information changed throughout the past year? Elk Island Public Schools (EIPS) encourages families to review their information the Division has on file to ensure it's up to date. Using the Correction and Verification Form available through the [PowerSchool Parent Portal](#), families can review their information on file for each student—including addresses, phone numbers, email addresses, parent and guardian information, emergency contacts, medical details and other related information—and submit any updates needed.

Reviewing and updating the form ensures the Division has the most up-to-date information regarding your child. Your review is especially important in case there's any communication the Division or school needs to send out over the summer months related to classes next year. All EIPS families are asked to review their child's Correction and Verification Form by **June 13 at noon**. After this time, EIPS will turn the form off for the remainder of the school year—available again at the start of the 2022-23 school year.

NOTE: Only submit updates for the changes that have already taken place. If you're moving this summer, you'll submit the necessary updates to your address through the Correction and Verification Form at the start of next school year after you've moved.

If you have questions about the form or the [PowerSchool Parent Portal](#), contact the school at 780-467-7751

STUDENT TRANSPORTATION: 2022-23 REGISTRATION

Planning to use Student Transportation in the 2022-23 school year? If so, make sure your child is registered so Elk Island Public Schools (EIPS) can plan routes and send your child a bus pass before the first day of school.

All students who indicated needing transportation services through the returning student or new student registration processes are now registered. Those families have also received tentative route schedules and invoices—fees are due June 30, 2022.

For those students who didn't indicate needing transportation services during the registration process and want to now register, simply contact EIPS Student Transportation at 780-417-8151 or email st@eips.ca.

For more information about EIPS Student Transportation, visit www.eips.ca/transportation.

NOTE: Families can pay fees online using the [PowerSchool Parent Portal](#). To pay in-person, contact Student Transportation to make an appointment.
