RETURNING STUDENT REGISTRATION FOR 2023-24

Elk Island Public Schools (EIPS) will once again conduct an online returning student registration process to confirm student registrations for the 2023-24 school year. Families of all current students—with the exception of graduating Grade 12 students—must complete the process to confirm the school their child plans to attend in the 2023-24 school year or advise the Division of their plans not to return to EIPS. Additionally, students who want to attend a non-designated school need to make that request through the returning student registration process—acceptance is based on available space. The 2023-24 returning student registration takes place Feb. 1-28, 2023.

Access to the Returning Student Registration Form is provided through the [PowerSchool Parent Portal](#). If you don't have a PowerSchool Parent Portal account, you need to set one up before Feb. 1, 2023.

KINDERGARTEN REGISTRATION STARTS SOON!

Is your child turning five on or before Dec. 31, 2023? If so, it's almost time to register for kindergarten.

Kindergarten registration opens for the 2023-24 school year on Feb. 1, 2023. To help families prepare, Elk Island Public Schools has put together an online [EIPS Kindergarten Tool kit](#) to make the transition as smooth as possible. The kit includes information on registration, important dates, programming options, what to expect, eligibility, how to find your designated school, transportation and more.

Additional information regarding Westboro ELeментарy's kindergarten program is available at <https://www.westboroelementary.ca/about/kindergarten>.

HELP PROMOTE LOGOS

Attention, Parents Caregivers, Family and Friends!

In response to the recent drop in enrollment numbers, the Elk Island Logos Society NEEDS YOU to help spread the word about the program in the community. We believe many people simply don't know about the program and how amazing it is. Here's how you can help!

We are looking for people who are willing to help advertise the program:

- At your home church
- At preschools in the area
- At daycares in the area

This may be as simple as committing to creating a connection with your preschool or daycare and taking a day or two during prime pick-up times to share about the program with other parents. We have signage and advertisements that can help with this.

We are also looking for parents who would be willing to set up a table in their church foyer or children's ministry area to share about the Logos program with your church community. Again, we have signage and advertisements that can help with this.

If you are interested in helping Logos grow for future generations, please contact us at vicepresident@elkislandlogos.ca. We are asking for help now so we can be prepared to start actively spreading the word before EIPS registration time in February. We can't do this without you.

INCLEMENT WEATHER

With the winter season well underway, we want to remind families to dress children appropriately for the weather when getting ready for school or the bus. The weather often changes unexpectedly throughout the day, so please select suitable outerwear and ensure your child is prepared for changing conditions.

If inclement weather conditions occur, Elk Island Public Schools (EIPS) will advise families of any bus cancellations using various communications tools—automated-telephone messages, alerts posted on www.eips.ca and school websites, Twitter, Facebook, local radio stations and notification through both the Bus Status and the Ride 360 apps. Morning bus cancellations are posted on www.eips.ca by 6:30 a.m.

Decisions regarding bus cancellations are guided by EIPS' [Administrative Procedure 131: Inclement Weather](#), which states: "school bus service may be suspended ... when there is a forecast or current temperature of -40 C including wind chill, in one or more regions." Other reasons for suspending or delaying school bus services include adverse weather and poor road conditions.

When school bus services are suspended, schools remain open to students. EIPS believes families have the right and responsibility to make choices for their children based on what they feel is safest during times of inclement weather.

For more information, contact EIPS Student Transportation at 780-417-8151.
